## Captains Named For Western High Teams

Peck Leads Basketball, Peyton Heads Baseball, and Eagan Is Chosen to Pilot Tennis Team—Technical and Central Also Elect Officers.

Four captains of athletic teams for 1915 were elected at Western High School today. Raymond Peck was elected to the leadership of the basketball team. Tom Peyton will lead the baseball squad while Thomas Eagan has been named captain of the tennis team. Frank Bridget, a member of Western's relay team, was chosen to lead the track team next season. Bridget is in his junior year and has run for the past two years.

Technical High School letter men chose Denby Hird to lead the team for next year. Hird was Tech's winning pitcher this season and went through the series with flying colors. He has played for three years and got his first start in the high school series this season.

"Molly" Roberts, Central's outfielder, and a brother of "Jakey" Roberts, retiring captain of the Tech baseball team, was chosen as captain of the Central nine at a meeting yesterday.

## White Sox and Yanks Profit By Shake-ups

Tigers Fall Before New Yorkers, While Rowland's Aggregation of Newcomers Use Bat Handily and Succeed in Taking Measure of Red Sox.

Shake-ups brought victories for two American League teams yesterday. The revised White Sox walloping the Red Sox 4 to 3 and the switched Yankees getting their long-delayed revenge upon the Detroit Tigers 4 to 1. By winning the same day the Tigers lost "Fanta" Rowland's lads regained their position at the head of the procession, lending verve and elation to the work of Ban Johnson's cohorts.

The White Sox have been hitting miserably since leaving home and yesterday Manager Rowland benched a few of his young men with the doughnut wanda, substituting others with power in their flails. Jacques Fournier was back again at first base, Roth going to left field. Tommy Quinn was replaced in center by "Happy" Felsch, and Breton stopped playing third to let Lena Blackburne try his hand. Four hits were chalked up by the three new performers. Roth having a double to his credit. However, don't forget the five errors considerably in the defeat of the Lannites.

Hobby Veach's two-base miff in the third inning after two had gone allowed the Yankees to shove over three runs and settle the argument at the Polo Grounds yesterday. Cook followed with a triple, Maial and Peckinpach contributed singles and then worked a double steal along with Dubuc's wild pitch. Bill Donovan did not use any new players, but he did switch his batting order, putting the speedy Brien around the top. The switch did the work, too.

Five errors hurt the Browns yesterday at Shibe Park, the Mackmen winning, 5 to 2. Lear, the Villanova third baseman, was attacked by stage fright and had to be relieved by Bill Kopf. Lear is a mere kid and the big league stuff made him nervous. The Browns collected nine hits to the Mackmen's seven but those errors came in at the wrong time.

## YALE AND HARVARD CREWS QUIT PRANKS

NEW LONDON, Conn., June 9.—Yale and Harvard oarsmen have entered a gentlemen's agreement this spring not to paint the boathouses, steal each other's mascots, or to indulge in any of the pranks that have marked other years of preparation for their annual races on the Thames. Last year the Eli freshmen stole the Harvard freshmen's pet goat.

All the Harvard crews had long workouts on the Thames river. The freshmen had an eight-mile paddle with a short sprint at the end. There was a slight change in the make-up of the second varsity. Buak being sent to the stroke oar and Brown taking the latter's place at No. 2.

## Marines Are Humbled By Bureau's Pitcher

"Ches" Lyons Chief Factor in 7 to 3 Victory When Game in Government League Goes Ten Innings—Strikes Out Thirteen Batters.

By BRYAN MORSE.

"Ches" Lyons, Bureau's best hurler, springs into the limelight today as the one pitcher in the Government League capable of defeating the Marines. The Bureau men are handing Lyons all sorts of congratulations today for his good work in setting down the cocky Marines for the first time this season in a league game.

So far Manager Baylis' aggregation has ridden rough shod over the Government league teams. Ten straight games have been annexed and the Marines were conceded the first series.

Yesterday Lyons was sent in against the bluejackets, with the result that his team led by 7 to 3, the game going ten innings. Lyons held the Marines in check at all times, allowing two hits and striking out thirteen batters. Government League fans, and there are many who support President Duane's organization, declare the contest a good one and the best thing that could happen for the circuit. Many believe the Marines will now take a slump and it would not be surprising to find a big following out for the next contest.

The score was three all in the ninth yesterday when Bureau went in and gathered four runs. Lyons retired the side in order and in the first to hand the big boys a defeat this season.

The War team, of the Departmental League, will probably be asked to withdraw from the circuit. Aggies were all ready to play when there was an absence of War players yesterday, and the game was declared forfeited. As this is the third time this season the War team has found itself unable to put a team in the field it is not unlikely that another club will be asked to join the circuit.

Reformation and Keller fought out an 8 to 7 battle in the East Washington Sunday School League yesterday. Each team scored 5 runs in one inning. Reformation coming up from behind and winning out.

G. H. I. lost a tough game to Machinists, in the Potomac League yesterday. Verstein fanned thirteen of the Machinists, but was unable to get the breaks.

When every player on the team gets one or more safeties and the opposition fails to hit your pitcher you will generally find a man going to the pen in mind, the Secretary-Indians went at Mines yesterday and dragged down a 15-to-5 battle, in the Home Club League.

Weidman, for the Indians, allowed Mines but two hits, fanned ten, and only walked three batters. Every player on the Indians team got at least one safety.

Crescents warmed the Gibraltar to the tune of 14 to 1, in the Rosedale circuit yesterday. Fifteen hits were made off the Gibraltar pitcher, while Weaver, hurling for the Crescents, allowed a lone hit off his delivery.

Steel Plant had no trouble with the Hamilton nine, in the Congress Heights League, and won a 13-to-3 game. Ten hits were made off Bush, the Hamilton pitcher.

St. Peter's and St. Joseph's teams, in the Holy Name League, decided to quit.
